CHAP 8, 0955

14 April 1960

MEMORANDUM FOR : Contracts Branch, DPD

SUBJECT : [REDACTED] 9511 (OUT 65049)

1. On 14 April, Mr. C. L. Johnson telephoned and made the following comments about subject:

- a. He will lose his people at Edwards if he complies with reference. He said that reference is unfortunate since it follows closely the income tax on per diem decision.
- b. He would hate to lose the people at Edwards since many are Detachment trained.
- c. If replacement personnel are to be found, clearance and seniority bumping problems would ensue at Sunnyvale.
- d. If it were not possible to field a team at Edwards, it would appear that IRANs could be made at Burbank. However, it would mean reshuffling and moving people and areas.

2. Mr. Johnson was told that his views would be passed on to appropriate Project Headquarters personnel.
